Pennsylvania AAHAM Night – Thank you to our Sponsors!

On Behalf of the Board of Directors from the Keystone, Philadelphia, and the Three Rivers Chapters, we would like to thank the Corporate Sponsors that help to make our “PA Night at ANI” such a great evening. We had an “Ultimate Crab Fest” at Nick’s Fish House. We didn’t let the weather get us down. It might have been raining all day, but what a great group of people from Nick’s – they moved our event inside and we had some AMAZING food – Hot Steamed Bushels of Crabs on the table (crack your own), Barbecue Shrimp, Wings, Roast Beef, Turkey – and so much more. And to top off the entertainment, we had a DJ that provided karaoke – and it was so much fun. That dance floor was never empty until it was time to go home.

It truly was a great evening of fun, and we couldn’t have done it without the Corporate Sponsors – so again THANK YOU.

"I attended my first AAHAM ANI Conference last week in Baltimore. I wanted to give a shout out to AAHAM for putting on a great conference! The speakers were fantastic – providing insight from their experiences and sharing those with the rest of us. I especially liked the KPI's and denial presentations. And, Charles Marshall was a hoot with his "Seven Powers of Success." AAHAM went above and beyond to make the conference engaging – from the topics they offered to networking opportunities to great meals. Thanks for a job well done!"

"I must first thank the Keystone AAHAM for selecting me to be a recipient of the ANI scholarship this year. This was my first-time attending ANI and I found it to be a very busy 3 days/nights.

There were good education sessions, and the evenings were great with being able to meet with other AAHAM Chapters and just be able to fellowship with them with food and drinks. Of course, I don't think that anyone had an event like the PA night at Rick's Crab House. There was so much fun in just letting loose and networking with your peers.

I also enjoyed walking around the exhibitors' booths and talking to other Vendors that are not part of the Keystone Chapter and making new connections. It's always nice to talk to other people and find out where they are from – and you find out similarities that you have with them.

One of the other great things that happened was I was able to reconnect with a former supervisor from my PFS days at Ephrata. Just seeing her and being able to catch up in person and not via Facebook was great – a real hug and not just a virtual one.....lol

But I do believe that the best part of 3-day event was definitely networking. You never know when you may need to reach out to someone that you met for professional reasons related to your current job or for something you might need in the future.

Thank you again Keystone for allowing me this opportunity."

"I wanted to take the time to thank all of the members for their hospitality at the 2022 ANI. I definitely felt very welcome as a first time attendee and scholarship recipient. All the presenters were very knowledgeable and energetic, and the exhibitors were very welcoming. This conference was very informative and provided me with networking opportunities as well. I would definitely recommend this organizations to professionals, as well as students. You are an amazing group of people!"
